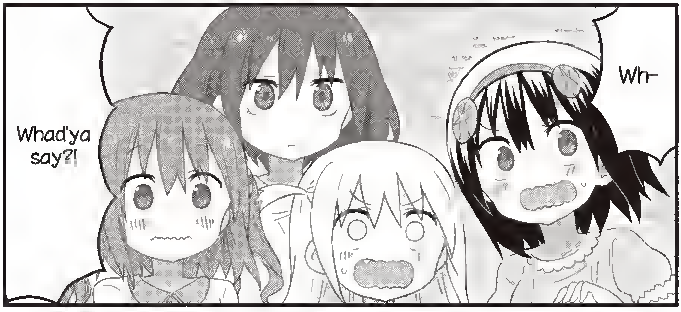
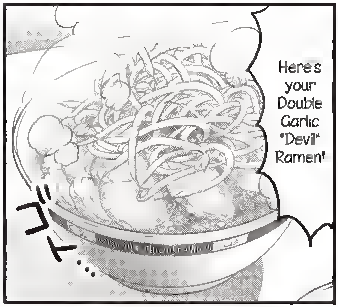
Are you all awake?
ぼけ
ぼけ
Kei-chan you have low blood pressure don't you?
Eh? Uh, yes.. Thank you very much.
ぼけ
Kei, what are your three sizes?
ぼけ
Huh?
Bust: 80... Waist: 60... Hips: 84...
!!
What about your secrets that you can't tell anyone?
Huh?
Hmm..
Beeeeep
Awawah! Stop, Mi-chan!

Hmm ...
To be honest I feel like yesterday was enough.
So, are we going to sightsee around Tokyo again today?
Wh-what is it?
Mufufufu
Smirk
Smirk
?
.....
Is there some thing wrong?
Mufufu..
Mufufu...
!?
It means she thought of something fun.
When mum is smiling like that ..

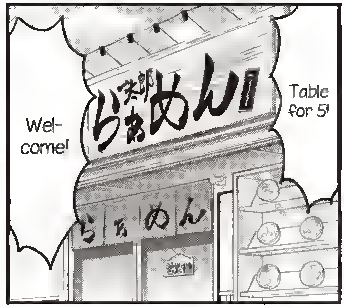
We're goin' ta have a blast!
キラキラっ
Today.



Whad'ya say?!
Wh-



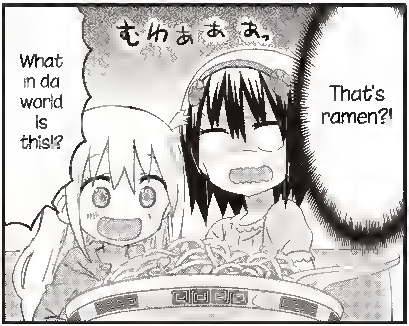
Here's your Double Garlic "Devil" Ramen!
ゴト…

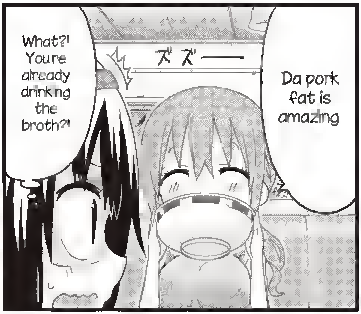


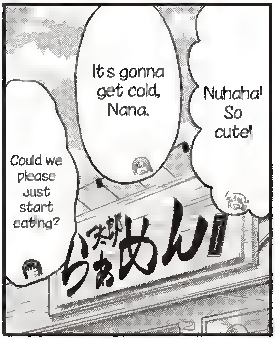
Welcome!
Table for 5!
ちゃめん

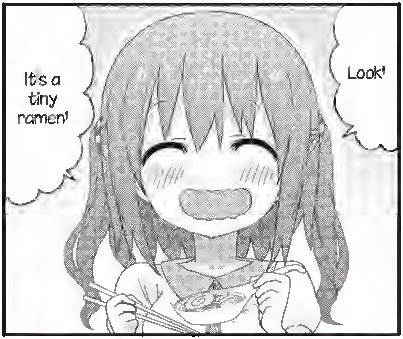
TL Note: "Keitai" means both "cell phone" and "something that's carried". For example if you get caught by the police without a driver's license, you're "not carrying". Here Kon is making a really bad pun between not carrying a cell phone and not carrying something like a driver's license.

I guess you're not keitai-ing today
I wish I remembered to bring my keitai!
I wonder what it'll taste like!
Take out da cameras! We need ta take a picture!

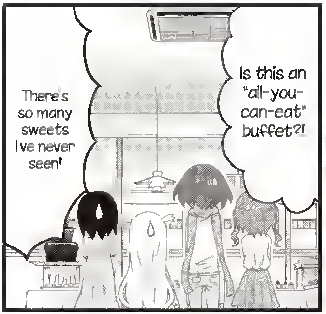








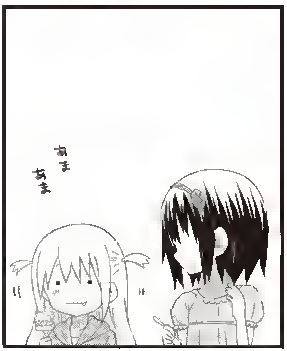
Mfufufu
But I wouldn't really call that "a blast"
They even gave us a ton of coupons!
Yes. It sure was...
That was delicious!
Ker-chan, are you alright?
Um, my stomach is already full so...
Mum, ya still want ta eat more?!
There's more?!
The next store is even better!"
Wel-come!



There's so many sweets I've never seen!
Is this an "all-you-can-eat" buffet?!

It's cake!!!!!!
ｷｬｰ
ｱｱｱｯ

She's already eating!
It says it's "all-you-can-eat".
How much is it?!
Can we eat all of this?

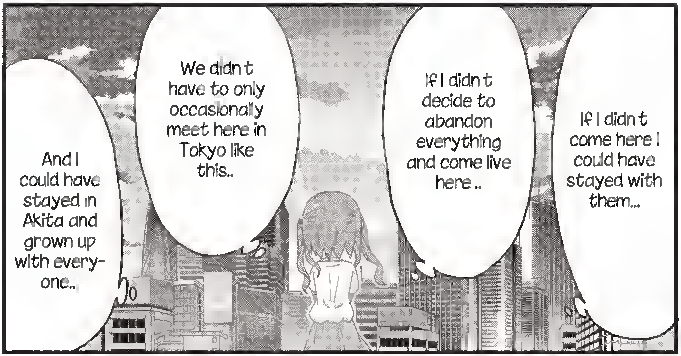


あまあま

はゎゎゎゎゎ。
Kei's waist is probably at 62 by now
あまあま

Mi-chan, stop exaggerating
N-no they weren't!
When Nana and Mum were eating the store clerks were freaking out.
Tokyo is amazing
I can't eat anymore..
That was amazing
Yeah...
Ah you mean during school?
Yeah we talked about it before didn't we?
But it's amazing we're now in Tokyo and we ate at a place like that.
Yeah I'd love to go too!
Let's all go there when we're adults!
Again with this conversation?
There's stores where you can eat all da cake ya want!
Tokyo's amazin'!

Aah...
It happened faster than we expected ..
Yeah ..
Does that mean we're adults now?
ｶﾀｯ
ｶﾀｯ
ｶﾀｯ
ｶﾀｯ
ｶﾀｯ
ｶﾀｯ
.....
This is so much fun...
When I'm with everyone I can immediately ch...r up
I don't want them to go back...
I wish we could all stay together forever

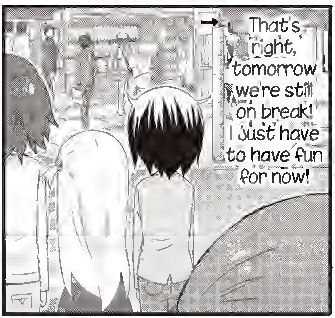


If I didn't come here I could have stayed with them...
If I didn't decide to abandon everything and come live here..
We didn't have to only occasionally meet here in Tokyo like this..
And I could have stayed in Akita and grown up with everyone..

No, stop that!
If I cry now it'll make everyone worried!

I want to go to the place where Onii-chan went

Girls!



That's right, tomorrow we're still on break! I just have to have fun for now!

Uh...
Ah...
So where did you want to go?
I was thinking about Akihabara
Hm?
N-Nana-san isn't here!
Huh? Did she dis-appear?
Hm?
Guess we'll just call her!
Nana didn't bring her phone today...
!!
